Brick by Brick

Who or what do you want to celebrate? Did you travel the world with the Tucson Arizona Boys Chorus? Now you can commemorate that person, experience, or travel. Celebrate your place in the history of the Tucson Arizona Boys Chorus by purchasing a legacy brick in the Commemorative Brick Walkway. This video is a message from our director, Dr. Julian Ackerley about the Walkway.

Summer Camps are STILL ON!

Remote Learning Wrap-Up

While our season end was nontraditional, we were happy to be able to stay in touch with our choristers through remote learning. We held video calls and provided weekly lessons. These lessons will stay online for the

summer, so you can continue to enjoy them! We are excited to see new and returning choristers in person again this fall.

A New Role for Marie Sierra

It is with mixed emotions we announce that our wonderful principal accompanist, Marie Sierra, will be stepping back from working with the Touring Chorus. Don't worry though! She will continue to accompany our Young Men's Ensemble. Marie has been traveling with TABC for 13 seasons. She toured across the globe with the Chorus to Russia, Kazakhstan, the Czech Republic, Switzerland, France, Germany, Japan, South Korea, China and throughout the United States.

Marie's extraordinary talent has been key to TABC success. She says she has loved watching the boys grow through the years as they have developed into young men. "It has been a total pleasure of a job with many great memories." We thank Marie Sierra for her countless miles traveled, exquisite music made and exceptional contributions to the TABC team.
