Sign up for Summer Camp!

Summer Camp is July 19-25

Join us for an amazing week of music, fun, and adventure. All participants will receive high-quality music instruction from TABC Director, Dr. Julian Ackerley. The week is a great opportunity for choristers to bond and spend time together.

Call (520) 296-6277 or go to [our website](#) for information.

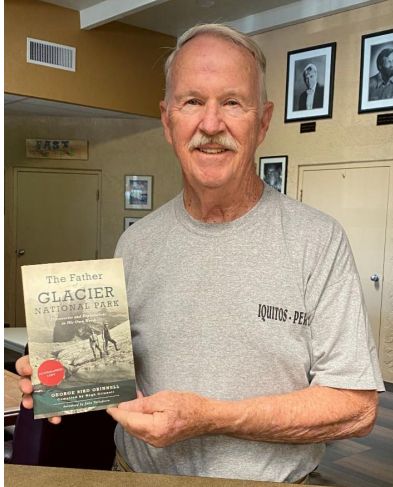

Drive-In Movie Night

This is a private, safe event open to TABC families. We'll have a free movie, popcorn, and soda for all that attend! It will be a fun family night out, and a chance to see your chorus friends (from a safe distance, of

course). Please RSVP [here](#) by Saturday, June 27. We look forward to seeing you there!

Meet an Alumnus: Hugh Grinnell

Hugh Grinnell was in the Chorus 1951-1955. Hugh has remained engaged with the chorus through our Alumni Association. He attended our reunion last fall, and was one of the first to purchase a brick for our Commemorative Brick Walkway!

In the photo seen here, Hugh is displaying his book, *The Father of Glacier National Park*. The book is a history of Glacier National Park told through the writings of George Bird Grinnell, a distant cousin of Hugh. Contact Hugh directly to obtain a book at 520-488-6809.

Help Support Tucson Arizona Boys Chorus!
