TABC SAFE FREE FAMILY FUN NIGHT

THANK YOU!

Thanks to all who joined us for the **SAFE FREE FAMILY FUN NIGHT!**

It was great to be safely together with TABC families
and some new faces as well.

Watch your email and Facebook for our upcoming Fall Fun Events.

Fall Rehearsals: Safely Together

We are thrilled to welcome back our choristers for the 2020-21 season. We are resuming in-person rehearsals with additional safety protocols.

Rehearsals will be held outside with choristers wearing masks and spaced 6' apart. Safety of choristers is always our top priority, and with our new protocols, we will be able to rehearse and be safely together. Please help us spread the word about our safe in-person rehearsals!

MUSICALE VIRTUALE 2020

This year our annual gala is moving online! We'll have an online auction available for bidding from November 6-22, 2020. We're busy gathering items for auction - let us know if you have anything you'd like to donate! More details about the event coming soon.
Contact us at 520-296-6277 for more information.

Dr. Ackerley to work with all boys

This fall, the rehearsal schedule is being slightly modified in a manner that will allow Dr. Ackerley to lead the music instruction of all central ensembles: Cadet Choir, Training Chorus, TowneSingers, Touring Chorus and Young Men's Ensemble. "I am excited to be able to regularly work with each chorister at every age," Ackerley recently commented. "It will give continuity to our music literacy program." Working along with Dr. Ackerley will be Principal Accompanist, Anne Grimes. Mrs. Grimes will primarily function as a collaborative pianist but will also lead sectionals and other portions of rehearsals from time to time.

Jim Click "Millions for Tucson"

TABC participates in the Jim Click "Millions for Tucson" raffle each year. Now more than ever, your support can change the life of a chorister. Our Touring Chorus and Young Men's Ensemble are selling tickets to help offset next year's historic British Isles Tour. If you'd like to help the Chorus, contact the office to find out more about the "Millions for Tucson" raffle.
