

## October 1, 2020

Musicale Virtuale, TAYME, OPEN Rehearsals in October

Read our 2019 Annual Report!

### MUSICALE VIRTUALE 2020

This year our annual gala is going digital with an online auction available for bidding from November 6-22, 2020. There are several ways to support the Chorus - **tell** your friends about the event, **purchase** a virtual table, **donate** now, and **bid in November!**

We're busy gathering items for auction - let us know if you have anything you'd like to donate! You can find more details [here](#).

### Young Men's Ensemble

The Young Men's Ensemble held its first rehearsal last Thursday. This ensemble is comprised of 9th grade through college aged young men. We had a fun season kickoff event with 23 singers: Cane's, Campfire, and Carols, and we hope more high school and collegiate singers join us this week.

### OPEN REHEARSALS in OCTOBER

We are pleased that our 2020-21 season is underway. We are rehearsing safely together at in-person rehearsals with appropriate safety

protocols. Rehearsals are being held outside under our fabulous "roping ramada" with choristers wearing masks and spaced 6' apart.

**OPEN REHEARSALS** will take place on Tuesdays and Wednesdays in October for potential choristers to join us to learn more about the Chorus. And...new choristers who join in October receive the month free!

**Please help us spread the word about our safe in-person rehearsals and our Open Rehearsals in October!**

**OPEN**

## TABC LEGACY FAMILIES

TABC is privileged to have families with multiple generations of participation in the Chorus. This month we salute the Rankin family. Brothers Thomas and David were choristers in the 1970's, and now David's sons Tommy, James, and Kent represent the family in our Training Chorus, Touring Chorus, and Young Men's Ensemble. A special thanks to the Rankin family for preparing our beautiful outdoor rehearsal space.

**Our families mean the world to us! Thanks to all for your participation in the Chorus.**

## Help Support Tucson Arizona Boys Chorus!

### Jim Click "Millions for Tucson"

TABC participates in the Jim Click "Millions for Tucson" raffle each year. Now more than ever, your support can change the life of a chorister. Our Touring Chorus and Young Men's Ensemble are selling tickets to help offset next year's historic British Isles Tour. If you'd like to help the Chorus, contact the office to find out more about the "Millions for Tucson" raffle.

Call us at 520-296-6277 for more information.
