Julian Ackerley
Director

Since 1980, Julian Ackerley has served as Director of the Tucson Arizona Boys Chorus. He has achieved acclaim as an accomplished conductor and administrator and has taken the choristers on performance tours spanning five continents and over 25 countries.

Dr. Ackerley served as the National Boychoir Repertoire and Standards Chair for the American Choral Directors Association and is a specialist in working with boys emerging voices. He was also selected Choral Director of the Year by the ACDA Arizona Chapter. An experienced teacher, Ackerley has taught music at all levels from elementary to university students.

Dr. Ackerley received his doctor of musical arts degree from the University of Arizona with emphasis in music education, vocal performance and choral conducting. He is a frequent guest conductor and clinician. Through the years his choirs have received numerous prestigious invitations to appear in regional, national and international events, conferences and festivals. Just recently the Chorus was featured a second consecutive year for the National Christmas Tree Lighting.

Anne Grimes
Accompanist

Anne Grimes is delighted to work with the talented singers of TABC. She is a musician, music teacher, and music director in the Tucson area, currently teaching vocal and instrumental music at Santa Rita High School, serving as music director for Desert Springs PCA Church, and teaching voice at Pima College.

Her experience in musical theater is vast: playing piano for 30 Gaslight Theater productions, music directing for Arts Express and CYT, and playing piano for many musical and theater groups. Anne's education is exclusively from UA, including a Bachelor's degree in piano performance and music education, and a Master's and Doctorate (ABD) in Choral Conducting. Her plan is to fully complete the doctorate degree by the end of this year!

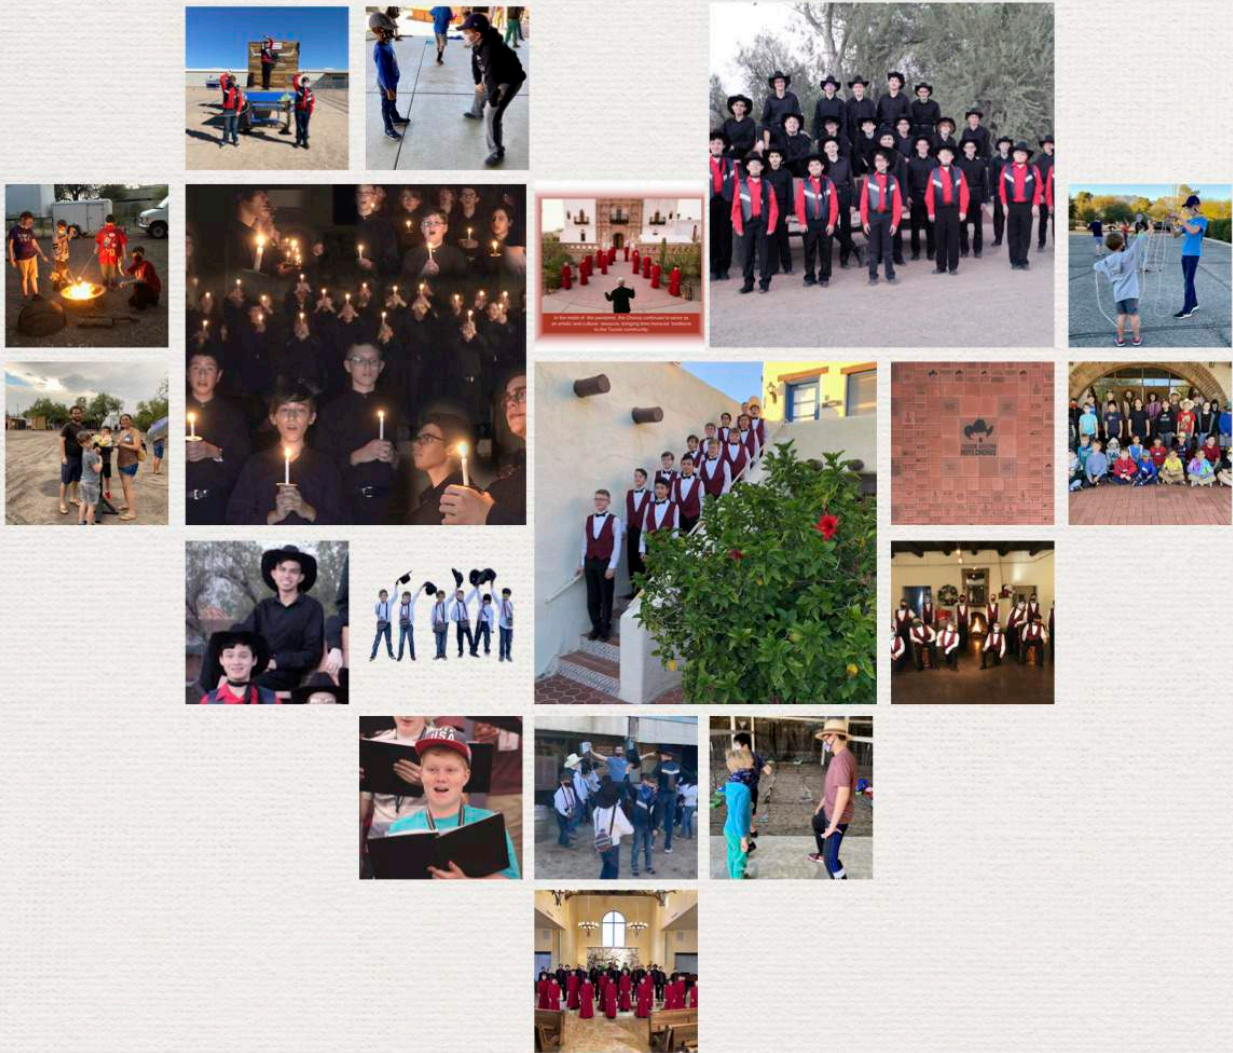

She enjoyed playing piano for TABC on their 2018 China tour, and is looking forward to more tours. Anne and her husband Jonathan have four grown children of whom they are very proud: Sarah (and Stephen) Lewis, Caleb, Seth, and Josiah Grimes.

Tucson Arizona Boys Chorus Mission

The Tucson Arizona Boys Chorus is dedicated to providing boys in the community an enriched educational experience through the study and performance of choral music. The Chorus endeavors to impart musical, social and leadership skills that build self-esteem and have a sustaining impact on its members. Representing and serving the community as an artistic and cultural resource are fundamental to the Chorus mission.

**The Tucson Arizona Boys Chorus Board of Directors
would like to thank our families and friends for their continued
support and engagement with the Chorus during this unusual time.**

**Music has a positive impact on all but can be especially powerful in
shaping the lives of children.**

Your trust in the Chorus mission is critical to our success.

In many ways it has been a great year.

We look forward to the future with

High Hopes!
