Meet Mac Tronsdal

Mac Tronsdal is a 17 year old junior at Salpointe Catholic High School. Some of his hobbies include mountain biking, indoor rock climbing, and photography. He enjoys being a part of TABC because of the camaraderie and many opportunities to learn and perform interesting music. He recently received the Carlos Valencia Humanitarian Award from his school. It is given to a "member of the Junior class who possesses great courage and strength especially in difficult times is honored in memory of Carlos. Much like Carlos, the recipient goes about life in a selfless manner, understands the true meaning of "community" and inspires us to think beyond ourselves."
