### *Turn it Up!*

For over 80 years our voices have  
filled the world with song.  
Call the chorus office if you know  
a boy age 6 and older  
who would like to join.  
Music - Travel - Friends  
Leadership - Excellence - Fun!

Please join us for our Classic Concerts this weekend! Tickets are available through our website, or at the door. This concert showcases our classic repertoire at the core of the boychoir curriculum. Can't wait to see you there!

## Rodeo Parade

Our TowneSingers, Training Chorus, and Northwest Voices were honored to participate in the Tucson Rodeo Parade. It's always a thrill to ride the wagon and sing! We were also very honored to be awarded 2nd place in the music category!

## Wild West Rodeo Weekend

Our buckaroos and wranglers had a rootin' tootin' great time at the Wild West Rodeo Weekend! They sang, they roped, they performed a melodrama! We thank the Pistoleros of the Wild West for their help in teaching our boys about acting, and to Trail Dust Town for the use of their facilities.
