Meet alumnus Darià Artiola

Darià Artiola released his 1st solo album that revolves around some of the mantras of his generation: The Millennials on April 15th. Born and raised in Tucson, AZ, his participation in the Tucson Arizona Boys Chorus helped him discover the world of music that he loves profoundly. His experience in the chorus was fundamental to his upbringing as a musician, and more importantly as a person.

The album release concert took place on April 23rd in Barcelona, where he now feels at home. Darià hopes to be able to share his music in other parts of Spain, and he certainly does not rule out taking a leap back to Tucson, AZ.
